SCALEO® Li 2650

You can count on me

Issue March 2008
Version 1

Pages 3

The SCALEO Li 2650 is a compact all-round PC for the whole family. No matter if you want to surf the Internet, edit your holiday pictures or listen to music the SCALEO Li 2650 is perfectly equipped for your daily computing needs. Chat with friends via Internet and invite them to your home to watch your favorite DVD or your latest videos. Or invite them to a party - with the SCALEO Li 2650 your personal juke box is always available. And thanks to FireWire™ and USB best connectivity is assured.

With the SCALEO Li 2650 you get a powerful PC with lots of connectivity and a stylish design at a favorable price.

- Latest Intel® Pentium® processor technology with Intel® Pentium® Dual Core™ processor E2160
- Graphic power for gaming and video streaming due to the NVIDIA® GeForce® 8400 graphic card with 256 MB dedicated video RAM (VGA and DVI interface)
- Ultra-fast processing and multi-tasking capabilities with up to 4 GB DDR2 memory
- Up to 750 GB storage capacity for all your videos, pictures, music and more
- Store all your precious little memories and all your important documents on DVD with the integrated SuperMulti-format DVD writer with dual double layer support
- Connect your PC to high-definition displays via DVI-I or HDMI interface (DVI to HDMI adapter is included)
- 20-in-1 card reader and USB port on the front for easy accessibility
- Ideal for daily computing tasks and home office
- Best price/performance ratio
- Windows Vista® Home Basic or Windows Vista® Home Premium and Application Software
